Tytuł: EUROSTUDENT – how are you?

Treść: We participate in **the largest European research project** on the life of students in the form of an online survey – EUROSTUDENT. It is a cyclical project that allows to capture trends useful in forming public policy. Join!

We invite to take part in the survey all participants of the studies: **first degree, second degree, uniform master's and postgraduate. We invite full-time and part-time students as well as those who participate in distance learning programme.**

The survey will take about 20 minutes, it is available until the end of June. We recommend filling on a larger screen than your smartphone.

We assure you that your vote will be of great importance for the reliability of results and the representativeness of the research, and thus for the comparability of Poland's results compared to other European countries.

Share your story and experiences.

Thank you for your time.

Research Team EUROSTUDENT.

For carrying out the research in Poland is responsible independent research agency PBS Sp. z o.o. on behalf of the Ministry of Education and Science.
